

Long View Lions Club Community Service Scholarship

-Scholarship Opportunity:

The Long View Lions Community Service Scholarship will be awarded in the amount of \$250.00 to assist a high school student with the financial funding for a community service project that will impact the local Town of Long View or the City of Hickory.

-About Lions International:

We are the world's largest community service organization with 1.4 million members serving local and global communities in more than 200 countries. In 1925 Helen Keller challenged the Lions to be the "Knights of the Blind in the Crusade against Darkness" and we accepted the challenge. Lions International's motto is "We Serve" and our focus areas are childhood cancer, diabetes awareness, disaster relief, environment, humanitarianism, hunger, vision, and youth.

-Our local Lions Club:

The Long View Lions Club was established in 1950 and was integral in the establishment of the Long View Recreation Center. The Long View Lions Club continues to serve the community. They help to fight hunger by volunteering with The Corner Table's Backpack Program, they provide assistance to the Salvation Army, and are a member of the NCDOT's Adopt-a-Highway Program, to name a few. The Long View Lions are also a member of Unifour Lions' Unifour Sight for Children Program that bring free vision screenings to children.
